EASTERN OAK COLLEGE OF NURSING SCIENCES

Quality Assurance Department

DEVELOPER CONTRIBUTION AND ACKNOWLEDGMENT LETTER

(Template for institutional issuance)

Date: 30 October 2026

To Whom It May Concern,

This letter acknowledges that **Fortunatus Alolote Fayeofori** voluntarily designed and developed the **EOCNS Attendance & Quality Assurance System** for Eastern Oak College of Nursing Sciences during a one-year service placement.

The system supports academic session management, student and lecturer records, lecture quality assurance logging, attendance documentation, hostel analysis, remedial class administration, audit trailing, and secure publication of master data. Documentation for handover accompanies the deployment.

The College recognises this contribution to institutional quality assurance capacity. This letter may be presented by the named developer as evidence of applied technical service, subject to the College's records and stamp.
